- Accessibility Conformance Report on the VPAT® 2.5 template
- Honest "supports / partially supports" ratings
- Accessibility statement free with any audit

White-label for web agencies

Wholesale agency rates · your brand · NDA on request · 24/7 team · free 10-page test

- Reports delivered under your agency's name and logo
- Team on shifts 24/7: overnight delivery available; deadlines agreed in writing
- We never change your live site; fixes go to you or a staging theme
- No contact with your clients unless you ask

Delivery speed

Standard · 3–5 business days · listed price

Express · 24 hours · +25%

Overnight · 12 hours · +50% (up to 200 pages)

Why now — public facts

ADA web-accessibility lawsuits (US)	3,117 federal cases in 2025 (2,452 in 2024); 5,000+ including state courts; ~70% against e-commerce.[1]
ADA Title II (US state & local government sites)	WCAG 2.1 AA deadlines moved to 26 April 2027 and 26 April 2028.[2]
HHS Section 504 (healthcare receiving federal funds)	Web and mobile deadlines 11 May 2027 and 10 May 2028.[3]
European Accessibility Act (since 28 June 2025)	Enforcement under way, e.g. investigations of online shops in Sweden and a court order against a French retailer.[4]
Overlay widgets	US FTC order: accessiBe to pay $1 million over misleading claims about its widget.[5]
